St. Peter's Episcopal School

1969 - 2026/27

NAEYC

From Our Director: Janet Boutin

What a great beginning!! This is our 58th year of educating young children and it is always exciting to see the children arriving for another year. Our staff have spent many hours preparing for the start of school. I am sure you noticed at Discovery Day!

Every summer, we shampoo the carpets/area rugs in all classrooms. We always have all the tile floors professionally cleaned. The Church replaced AC units for the Office/Lounge and Classrooms 105, 106 and 108. Thank you to the Church for upgrading the AC units. The Church also replaced two children's toilets. We always make sure cleaning products are environmentally friendly and not toxic for young children. Whenever, the school does repairs, we use products safe for children and have safety features for our young age groups. For example: our new classroom furniture and toys are purchased from reputable school supply companies committed to high quality products for children. We are committed to product safety and checking for defects and recalls. Thank you to our Parent Association, Church and School Board for underwriting these projects and purchases.

Two years ago, a team of NAEYC validators visited our school. The purpose of their visit was to conduct a surprise inspection of our overall program. They observed in the classrooms, inspected our grounds, evaluated our administration and much more. The purpose of their visit is to ensure NAEYC schools, like ours, are continuing to offer high quality programs. We are the only NAEYC accredited pre-school in the Hill Country area. NAEYC is the nation's leading mark of distinction of early childhood education programs. We take great pride in the fact that we are NAEYC accredited and we constantly strive to maintain a high level of performance. I am proud to announce we earned and have maintained accreditation since 1989!

Dress Code

Children are required to wear comfortable, casual, wash and wear clothing to school.

Tennis Shoes

must be worn at all times. Sandals, boots, and other hard-soled shoes are not appropriate or safe for the playground. It is also recommended that clothing worn be easy for your child to get on and off by themselves.

**Tennis shoes are
needed everyday !**

For Your Information . . .

Your child's health form and shot record must be returned to the School Office in order for your child to remain in school.

Please contact the School Office with any questions (830-257-0257; E-Mail: stpeterskerrville@hotmail.com).

Thank you,
Janet Boutin
School Director

Health and Safety At School

Pesticides on Campus

The State of Texas requires that our school families know that pesticides are used on our campus. St. Peter's School is treated quarterly by a licensed pest control operator.

Important Information regarding Medications

By law, if your child needs to take any medication, St. Peter's Episcopal School must abide by the following:

Medications must:

1. Be in the original container;
2. Be labeled with the child's name;
3. Be labeled with the date;
4. Include directions to administer the medication, complete and sign the School's Medication Form;
5. If prescribed, include the name of the physician prescribing the medication;

PLEASE DO NOT put medicine in backpacks or lunch boxes. Hand the medicine to the Early Bird or carpool teacher and **SIGN** the school medication form. At the end of the day, let us know if you need it sent home. One of our teachers will personally give it to you at pick up time.

For Your Information . . .

We are starting our 58th year of educating young children. Please read all about the School on the Church website (www.stpeterskerrville.com). Our monthly on-line newsletter, "The Kid Konnection", highlights school events, health/safety info, PTO news, NAEYC articles and more. Join the [Church Facebook](#) to see more photos.

Over the summer, our staff participated in classes focusing on the needs of young children. Topics included: Preventing Abuse/Neglect, SIDS/Shaken Baby Syndrome, Emergency Preparedness, Early Intervention, Managing Challenging Behaviors, Supervision of Children, Professional Development and more. I would like to thank KPD, DSHS, TDFPS, KISD, HCCC and Alamo Colleges for leading these sessions. NAEYC preschools, like ours, strive to stay on top of the latest trends and early childhood studies.
