

Kid Konnection

St. Peter's Episcopal School

May 2025

Message from the Director: Janet Boutin

It is hard to believe that another school year is drawing to a close. Our year has been filled with so many special memories. We hope you and your child have enjoyed this year as much as we have. St. Peter's is a very special school and it is made even more special with the wonderful families and their children that fill our classrooms.

This semester, our school earned reaccreditation with NAEYC (National Association for the Education of Young Children)! This mark of distinction puts our School in the top 8% of early childhood centers in the U.S. No other area school has this accreditation. We have been accredited since 1989. We are very proud to be an NAEYC school. A team of NAEYC assessors visited in January. They spent several days observing in our classrooms, on the playgrounds and meeting with our Director.

Over the summer, if you need to contact the school, call or e-mail the School Office. We will not have regular office hours but, we will continue to check messages, mail and e-mails. Also, www.myprocare.com is available for online school payments.

In August, we will be sending you information about back to school. You will receive notification of Discovery Day/Meet the Teacher time and sign up e-mails about Kindergarten Spanish and all Gymnastic classes. See the flyer at the end of this newsletter for more details.

Fire, Storm and Relocation

Safety News

Once a month all of our students practice a fire drill. Once a year, the Fire Marshal does a full inspection of the entire school. Also, three times a year the School practices a storm/tornado/lock-down drills. During the storm drills we relocate all the students into the enclosed hallway of Shelton Hall. In the event we would have to relocate, our School's designated shelter is next door at the Cailloux Theater (910 Main Street).

We are ending our 56th year of educating young children! Please read all about the School on the Church website (www.stpeterskerrville.com). Our monthly on-line newsletter, "The Kid Konnection", highlights school events, health/safety info, PTO news, school calendars, NAEYC articles and more. Join the [Church Facebook](#) to see more photos.

Over the summer, our staff will participate in professional trainings focusing on the needs of young children. Topics include: Preventing Abuse/Neglect, SIDS/Shaken Baby Syndrome, Emergency Preparedness, Early Intervention, Managing Challenging Behaviors, Supervision of children, Professional Development and more. I would like to thank Hill Country Crisis Council, KPD, Kerr EMS, DSHS, TDFPS, KISD and Alamo Colleges for leading these sessions in advance. NAEYC preschools, like ours, strive to stay on top of the latest trends and early childhood studies.
