St. Peter's Episcopal School

February 2026

naeyc®

Message from the Director: Janet Boutin

The month of February gives us an opportunity to celebrate Valentine's Day and the special blessing of our grandparents. We will be celebrating grandparents during our **30th Annual Grandparents' Week** to be held February 9th—13th. Please invite your child's grandparents to our Grandparent's Chapel on Wednesday, February 11th at 9:00 am in the Church. This week, our students will hear stories about the special relationship and wisdom their grandparents offer. They will also make cards and art projects for their grandparents.

During the 2026—27 school year, morning tuition will be increased for Preschool and Kindergarten. All other services to include: Early Birds, After School Care, Elementary After School Care, supply fees, Gymnastics and Spanish classes will remain the same. Preschool monthly morning tuition cost will now be \$400 and Kindergarten tuition will be \$450. The 2026-27 online Enrollment Packets are currently being updated and you will receive an email announcement when they are ready to access. Contact the School Director with any questions.

Priority Registration for the 2026—2027 school year will begin February 17th. Information regarding registration will be sent home the beginning of February. Priority Week is the time for currently enrolled families to enroll their children. If you know a family that would be interested in receiving this information, please have them contact the School Office at stpeterskerrville@hotmail.com or 830-257-0257. Enrollment packets can be accessed on this website.

We would like to extend our sincere thanks to everyone that donated to our School Board's EOY Scholarship Drive. A total of **\$12,650** was raised and 100% of these funds will be used for student scholarships. We appreciate your support of our School Board and Parent Association fundraisers.

It all benefits the children!

Special Blessings

The students of Good Shepherd Episcopal School in Dallas for making each of our students a special Christmas keepsake ornament!

Fore Real Estate for supplying the awesome Halloween blow-up huge cat and huge spider! We had a lot of spooky fun!

A Message From the School Board

The mission of St. Peter's Episcopal School is to offer families in our community an enriched early childhood learning program with extended day options which are conducted in a Christian environment emphasizing the development of each child's potential.

Thank you for choosing St. Peter's School,
Your School Board
2025--26

Help Us Prepare A Pathway To The Future With Love.

St. Peter's Families

Thank you!

The gifts you donated to
Divinity Family Services
brightened the holidays for
hundreds of area young children in
CPS care.

Randy and Ivalu Rose

Health and Safety At School

Help Us Control The Spread Of Germs At School . . .

Please do not send the following items to school

- **Water Bottles**: All of our students drink from disposable cups and we serve water all day long. These bottles could be accidentally used by other students.
- **Pacifiers**: These end up on the floor; could be accidentally used by other students.
- **Large Pillows and Bed Rolls**: All bedding is required to be wrapped separately to prevent the spread of germs and head lice. Larger bedding is difficult to seal and store.
- **Toys**: Please do not bring toys from home to school. Some are choking hazards, are easily broken and not sanitized. Please check backpacks and remove small items (ex: coins, miniature toys).
- **Hand Sanitizer and Chapstick**: These items are shared and sometimes ingested by our young students.
- Please keep your child's **fingernails** clipped short and clean.

Note: If lip balm is needed, a Medication Form must be filled out in the Office.

Health and Safety At School

Dress Code

Children are required to wear comfortable, casual, wash and wear clothing to school.

Tennis Shoes

must be worn at all times. Sandals, boots, and other hard-soled shoes are not appropriate or safe for the playground. It is also recommended that clothing worn be easy for your child to get on and off by themselves.

Tennis shoes are needed everyday !

For Your Information . . .

If your child receives immunizations during the school year, please send the School Office an updated shot record.

Please contact the School Office with any questions (830) 257-0257; E-Mail: stpeterskerrville@hotmail.com).

NAEYC Learning Center Fun

Blocks: In the Block Center I'm developing math concepts and motor skills. I'm also learning how to share and work with my friends. I may use these skills as an architect or builder when I grow up.

Library: In the Library Center I'm learning to love books and I'm practicing my reading skills.

Art: The Art Center gives me the opportunity to develop my creativity and express myself. As I experiment and have fun, I'm also developing social skills and small muscles.

Dramatic Play: When I pretend and play dress-up, I'm learning how to be a mommy, daddy, doctor, teacher, or police officer. Dramatic Play also fosters my language and social skills.

Science: I can observe, experiment, predict, and discover new things in the Science Area. These are the same things real scientist do.

Math: The Math Center develops my problem-solving skills and gives me hands-on experiences in counting, comparing, patterning, and measuring. I may use these skills as an accountant or computer programmer when I grow up.

Music: As I play instruments and sing, I'm expressing myself and developing listening and language skills. Music just makes me feel good!

Writing: The Writing Center has lots of interesting materials so I can learn how to write stories, letters, books, and more. Maybe I'll be an author when I grow up.

Manipulatives: When I play with puzzles and manipulative materials, I'm developing eye-hand coordination and learning to complete tasks.

Outdoors: Out on the playground, I'm releasing energy and developing strength, coordination, and a strong, healthy body. I love to play outside with my friends at school.

I am working, playing and discovering in my own way in "Learning Centers" each day!
