Message From The Director: Janet Boutin

The sounds of Christmas carols are already filling the classrooms of St. Peter's. The children and staff are busy preparing for many wonderful activities in preparation for Christmas and Jesus' birthday.

In today's world, we are concerned about safety wherever we go. At St. Peter's, we have upgraded our security camera monitoring and, this past summer, with the help of our SPPA, we upgraded our school's level of safety. We were able to increase the number of security cameras and silent alarms throughout the campus. We also have new procedures in place with KPD involving school gatherings. We are very grateful to the SPPA for underwriting these upgrades.

On **Wednesday, December 10th**, we will have our Annual St. Nicholas Toy Chapel. The children will experience the joy of giving and receiving. We are asking each child to bring a toy to help make Christmas brighter for the children of Divinity Family Services. Divinity services over 350 area children in CPS care. **Please do not wrap the gifts.** While the children hear the story of St. Nicholas and his loving kindness towards others, they will receive a special gift. Please join us or be sure to ask them all about it when you pick them up that day.

All of the teachers and students will be busy practicing for our Annual Christmas Program. On **Tuesday, December 16th @ 6:30pm**, our program will be held in the Cailloux Theater (next door). Please bring the whole family. Thank you to our SPPA for underwriting the Cailloux.

Please plan to attend!

Special Blessings!

Thank You To Our SPPA
For Our Halloween Fun
With Once Upon A Party!
Our Parents Are The
Best!

Ho! Ho! Ho!

Important Dates!

Parent Association Meeting: Friday, December 5th
@ 8:45 am; Tucker Hall/MPR.

SCHOOL BOARD MEETING: MONDAY, DECEMBER 8TH.

ST. NICHOLAS TOY CHAPEL: WEDNESDAY, December 10th. Please send a gift offering for a child helped by Divinity Family Services. We give these gifts instead of exchanging classroom gifts. Please do not wrap. It is very important for our children to learn that Christmas is the season for giving.

Red and Green Day: Thursday, December 11th.
Dress in the holiday spirit.

CHRISTMAS SHOW: TUESDAY, DECEMBER 16TH, 6:30 PM; CAILLOUX THEATER (NEXT DOOR). BRING YOUR FAMILY!

Early Out Day: St. Peter's closes at 12:00 Noon — Wednesday, December 17th. There will be no ASC.

Christmas Holiday—No School: December 18th — January 6th. School will resume on Wednesday, January 7th, 2026.

Keeping Kids Healthy

1. Keep students home if they are sick, help us prevent illness from spreading.
2. Have children wash hands frequently with soap and water.
3. Cover your mouth and nose when coughing or sneezing. We teach them to cough into their elbow (not their hands).
4. Seek medical attention early if your child has flu like symptoms.

Consumer Product Safety Recalls

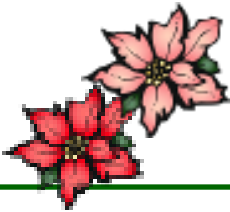

Background: According to the United States Consumer Product Safety Commission (also referred to as CPSC) in 2018, children's products were recalled an average of two times per week, yet recall information is not effectively reaching consumers. When a recall occurs, the commission alerts the media; however no further action is required to ensure that use of the product is discontinued. This means that dangerous children's products can unknowingly end up in homes, childcare facilities, or anywhere children's products are used. The Texas Legislature enacted a new law during the 81st regular session that requires child care providers to regularly check the CPSC recall list and ensure there are no unsafe children's products in the center or home.

How do I know if a "children's product" is unsafe? A children's product is considered to be unsafe if it has been recalled by the CPSC. View a list of current recalls and notices on the CPSC internet website at WWW.cpsc.gov.

- You may sign up to receive email notifications from the CPSC by going to CPSC.gov.
- There are several types of notifications that you may sign up for. Licensing recommends that you sign up for recalls involving infant/child products. You may also want to sign up for recalls involving products used for sports and recreation, particularly if you have school-age children.

At St. Peter's School we are required to check recall listings regularly. Also, our classroom furniture and toys are purchased through reputable and established school supply businesses. If you have further questions, contact the School Office.

We urge you not to use recalled toys and other children's products.

Thank you,
Janet Boutin, School Director

"Health and Safety"

Help Us Control The Spread Of Germs At School . . .

Please do not send the following items to school

- **Water Bottles**—All of our students drink from disposable cups and we serve water all day long. These bottles could be accidentally used by other students.
- **Pacifiers**—These end up on the floor; could be accidentally used by other students.
- **Large Pillows and Bed Rolls**—All bedding is required to be wrapped separately to prevent the spread of germs and head lice. Larger bedding is difficult to seal and store.
- **Toys**—Please do not bring toys from home to school. Some are choking hazards, are easily broken and not sanitized.
- Please clip your child's fingernails so they are short and clean.

Warm wishes
for the
HOLIDAYS
