## Message from Janet Boutin, Director

It is hard to believe that over a month of school is already over! We have had a great start and we have enjoyed getting to know your children. It is amazing how quickly the children have settled into their school routine. I hope you see the joy, love and commitment the children are experiencing. Many of you have sent kind emails and notes expressing your gratitude and appreciation of the School. Thank you for your kindness and patience!

October is a very busy month for St. Peter's. You will want to mark your calendars for **Open House** and **Book Fair** on Monday, October 6th. During Open House, you will get a chance to see some of the projects your child has been busy creating at school. The week of October 6th to 10th our entire school will focus on National Fire Prevention Week. The Kerrville Fire Department will bring a fire truck to school and teach our students important lessons on fire safety.

At the end of October, we will have special dress up days. The first is "Wear Orange and Black" Day on Thursday, October 30th. The second is on Friday, October 31st dress up as "What I Want To Be When I grow Up" Day.

At St. Peter's School, we are very proud of our NAEYC accreditation and the tradition of a "Great Beginning" shared by our staff, school families and the community. Thank you for choosing our school and giving us an opportunity to share in your child's life. Working with your child is a tremendous blessing to us all.

I ♥ FALL

## ★ Dress Code ★

Children are expected to wear comfortable,  
casual, wash and wear clothing to school.

## Tennis Shoes ★

should be worn at all times. Sandals,  
boots, and other hard-soled shoes are not  
appropriate or safe for the playground. It  
is also recommended that clothing worn  
be easy for your child to get on and off by  
themselves.

## Pesticides on Campus

The State of Texas requires that our school families know that pesticides are used on our campus. St. Peter's School is treated quarterly by a licensed pest control operator.

## "Growing Foods"

### Strong bodies for strong minds

When it is your turn to send snacks . . . Please send **nutritional snacks**.

Here are a few examples kids usually like: Cheese sticks, yogurt, apple sauce, carrots and dip, cheese and crackers, raisins and if you send fresh fruits . . . The teachers will wash and cut it up.

All Snacks must come pre-packaged.

# Health and Safety At School

## KEEPING KIDS HEALTHY

1. Keep students home if they are sick, help us prevent illness from spreading.
2. Have children wash hands frequently with soap and water. Wash for 20 seconds.
3. Cover your mouth and nose when coughing or sneezing. We teach them to cough into their elbow (not their hands).
4. Seek medical attention early if your child has flu like symptoms.

# Please ...

do not bring a sick child to school. Children must be "fever free" for **24** hours in order to return to school.

Regular hand washing keeps the germs away.

## Episcopal School Sunday

Sunday, October 5th

St. Peter's Church

10:00am Service

Dear School Families

Please join us for Episcopal School Sunday. This is a special morning to draw attention to the mission of our school. During the service, Father Bert will highlight our weekly Children's Chapel and all the children are welcome to join in at the front of the Church. After the service, please join us on the back playground at the Bond's Butterfly Garden and Murray Memorial Mosaic for a special "Blessing of the Butterfly Garden." Coffee and refreshments will be served. Also, visit the School's Book Fair in Tucker Hall.

All of our students and staff will be honored during the service with special bookmarkers. The bookmarks will have our teacher's and student's first names on them and passed out to Church members to offer prayers for our student body. Contact the School Office if you do not want your child's name on a bookmark.

Thank you!

## Follow the 9 Cool Rules of Fire

- 1.) **Don't play with matches and lighters**
- 2.) **Have smoke detectors on every floor**
- 3.) **Test your smoke detectors every month**
- 4.) **Change your clock; change your batteries**
- 5.) **Don't hide, go outside**
- 6.) **Have an escape plan and practice**
- 7.) **To escape a fire "fall & crawl"**
- 8.) **If you are on fire "stop, drop, & roll"**
- 9.) **Know your local emergency number**
